STATISTICS OF ONTARIO MUNICIPALITIES

We have endeavored in this Bulletin to present in a concise form for all municipalities, grouped into counties and districts, the population for 1914, and the assessed values, taxation, debenture debts and sinking funds for 1913.

The statistics are compiled, as usual, from schedules furnished by the Bureau to the Municipal Clerks and Treasurers of Ontario. Many of these officers have not yet returned the schedules. In most of these cases the figures of debenture debt and of sinking funds are taken from the reports of municipal auditors, while in a few cases we have had to repeat the figures of the preceding year in absence of any returns.

This Bulletin, however, is a preliminary statement, the object being an early presentation of the chief items of Municipal affairs. The statistics are subject to revision in Part III. of the Annual Report, where totals for the Province will be given, when complete returns have been received.

Although many of the municipal officials send in their returns promptly and satisfactorily, there seems to be no improvement with others in either of these respects. It was necessary a few months ago to report more than one-half of the municipalities of the Province to the Provincial Treasurer, who is authorized to retain moneys due any municipality whose officers have failed to make returns to this Bureau.

W. O. GALLOWAY, *Secretary.*
